the year 2015 witnessed significant events in the area of finance trade and investment which brought asia to the centre of the world stage the trans pacific partnership reached its basic agreement among the 12 member countries in october the chinese yuan was included into the special drawing rights basket of currencies at the international monetary fund in november the asean economic community came into force and the asian infrastructure investment bank was established with the 57 founding members in december within and outside the region there is an urgent need to understand the underlying economic structures that brought about these events which have global implications the centre on asia and globalisation at the national university of singapore launched a series of conferences on evolving finance trade and investment in asia with the aim of strengthening research capacity in asia to influence regional policymaking looking forward the conference will provide an annual platform for scholars to discuss the latest findings and to disseminate them to business leaders and policymakers this book contains scholarship presented at the inaugural international conference in september 2015 and was originally published as a special issue of the international economic journal

when the major powers sent troops to the korean peninsula in june of 1950 it supposedly marked the start of one of the last century s bloodiest conflicts in volume 1 allan millett however reveals that the korean war actually began with partisan clashes two years earlier and had roots in the political history of korea under japanese rule 1910 1945 in volume 2 he shifts his focus to the twelve month period from north korea s invasion of south korea on june 25 1950 through the end of june 1951 the most active phase of the internationalized korean war

fifty years after the korean conflict what is a forgotten war for some americans is an aching memory for china with over a

million casualties out of the three million soldiers sent into battle that war looms as large for the people's republic of china prc barely a year old when north korea invaded the south as world war ii does for most other countries it was the first international war fought by the chinese communist regime to halt counterrevolution it was also a war that the chinese fully expected to win by virtue of not only superiority of numbers but also their soldiers superior political quality this book presents a mosaic of memoirs by key chinese military commanders from that war drawing not only on their personal papers but also on still classified archives and on chinese language sources unavailable in english it offers an uncensored behind the scenes story of the communist campaign from the decision to intervene through the truce negotiations that discloses new information on such facets of the war as strategy and tactics use of propaganda and mobilization of the chinese population it also reveals the generals concerns about the possible use of nuclear force and the alleged use of biological and chemical weapons by the united states the book contains a wealth of new materials on the chinese intervention including combat operations logistics political control field command and communications among those whose recollections are recorded then acting chief of staff nie rongzhen reveals how party leadership decided on intervention commander in chief peng dehuai provides personal accounts of major battles and communications with mao and general yang dezhi shares secrets of chinese military strategy and tactics discussing how the army orchestrated each battle to contend with the better equipped un forces the volume also features an updated short history of the prc's conduct of the war based on chinese sources plus rare photos from chinese archives that put readers behind the lines from the chinese side mao's generals remember korea demonstrates that the prc continues to draw military diplomatic and strategic lessons from the war it fought fifty years ago with the world's most powerful military force it offers valuable insight into the chinese way of war and the military mind of mao that will be a rich resource for asian and military scholars
